

Activities Week 21<sup>st</sup> – 25<sup>th</sup> May 2018

**Part 2: Filling in the Gaps**

- Aim: every student in Years 7, 8 and 9 will have their own individual timetable for Activities Week
- Most of you already have at least a part-timetable, because you have been allocated to activities away from the school site (trips)
- Those of you who have gaps in your timetables will fill those gaps with activities that will take place at school
- If you have a gap, take one of the booklets! If you don't have a gap (i.e. your week is already completely full) don't take one of the booklets

- The booklet...
- On top (in yellow) is the application form. We'll come back to that in a moment
- Underneath, in white, are details of all the activities that are on offer... what, when, who for...
- Most activities are for all three year groups. Some are just for Years 7 and 8.
- Some activities cost a little, some are free
- Some activities are for a whole day, some are for two hours, many are just for one hour
- Some are repeated on different days
- Look carefully at all the activities, and work out which ones you want to apply for – involve your parents too, as they will have to pay (if it's an activity that costs)

- How to fill in the form...
- First, be very clear about when your gaps are
- Then look to find activities that will fill in those gaps
- You can't do any activity more than once (e.g. you can only do Brain Games once, even though it is offered in eight different sessions)
- In the example that follows, a student is applying to fill in his / her timetable for the Monday of Activities Week

- This is the section of the form for the Monday of Activities Week
- You quite fancy First Aid for the day

MONDAY 21st MAY					
Session 1	Session 2	Session 3	Session 4	Session 5	Session 6
DJ Workshop		DJ Workshop		DJ Workshop	
Experimental Photography*					
Emergency First Aid*					
Hurstmancous* (originally advertised as part of Activities Week Part 1 - still same space left, for Y7 only)					
Mount Caburn (originally advertised as part of Activities Week Part 1 - still same space left)

- But you might have other ideas – maybe some doughnut-making and football coaching and making pom poms and learning Japanese and Brain Games
- Ok, tick the boxes for each of those then
- You decide when, if more than one session is offered
- Plan with your friends??
- Ok, all 6 (yes, 6, each day) sessions are now covered for Monday (Doughnuts is across sessions 2 and 3)

MONDAY 21st MAY					
Session 1	Session 2	Session 3	Session 4	Session 5	Session 6
DJ Workshop		DJ Workshop		DJ Workshop

- Things to bear in mind...
- Some activities will run on more than one day, so think carefully about your planning!
- Hand your application form to Mr Ashworth (only! nobody else!)
- Places on activities will be given on a first-come-first-served basis, starting at 8.15 on Thursday 3<sup>rd</sup> May
- Please form an orderly queue by Mr Ashworth's office
- When activities are full, they are full – you may be asked to re-choose one (or more) that is not yet full
- Regular updates will be published – hopefully every day – so you can see if your application has been successful or not

- More things to bear in mind...
- You may fancy some of these things more than the ones you're doing already, the trips. You can't change, I'm afraid – those trips are locked and tickets etc. paid for. This is now about choosing stuff to fill in gaps
- Payment – ParentPay will be updated on a daily basis, but you can pay by cheque or cash too (Trips box in Reception, in an envelope, your name and tutor group on it). No change can be given for cash, so you'll need the exact money
- Now, a word about Arts Award

- Arts Award
- If you want to do this on Thursday and Friday, great – you'll get a qualification out of it if you do what Ms Boon tells you to do
- But... you have to have done both an arts event and an arts activity in Activities Week in order to be able to qualify for Arts Award
- Arts events: Harry Potter (Weds), Tate Modern (Weds), Tudor Drama (Tues), Victoria & Albert (Mon)
- Arts activities: Comics, Dance, Decoupage, DJ, Doctor Who, Draw My Life, Experimental Photo, Drumming, Fashion Drawing, Juggling, Lino Printing, Pop Music, Shrinky Dinks, Animation, Tie-Dye & Batik

- Any questions about Arts Award? See Ms Boon...
- Any questions about Activities Week generally? See Mr Ashworth
- Remember!
- Know your gaps
- Choose carefully
- Get your form in as soon as possible on Thursday 3<sup>rd</sup> May – no forms will be accepted before 8.15 on that date!!
