

ACTIVITIES WEEK 2018

Part 2: Fill In The Gaps

Hopefully, you've already got Activities Week at least partially covered, as you have got a place on one or more trips. It's possible, though, that you still have some gaps to fill. That's where this form comes in; read the accompanying booklet, then make your choices below. Tick the boxes to the right of your selections. Not that some activities run for a whole day, some for two sessions and many for just one. Some activities are offered more than once, but you can only do each one once. Activities that have a cost are indicated by an asterisk (*); if you get a place on one or more of these we'll update ParentPay as soon as we can. You can pay via Parent Pay (preferred) or by cheque or in cash - exact money only please, no change can be given.

IMPORTANT - places will be allocated to these activities on a first-come-first served basis, starting at 8.15am on Thursday 3rd May. Give your form by hand to Mr Ashworth, nobody (and nowhere) else!

IMPORTANT - you can't choose the activities on offer here instead of what you've got already. Those are "locked in". Select from the list below to fill up your week. Remember - you can't have any gaps when the week starts, so if you don't choose something we'll put you in activity that has space. Updated activity lists will be published at regular intervals, and you'll get a full personal timetable for Activities Week on Wednesday 16th May.
